"Hugh, Alan and the team add another dimension to our business. They

combine their considerable knowledge and expertise in the market, with the freshness of a new business, to provide flexible solutions for our customers. Very eager to do business and always professional with our clients. Well done guys! We look forward to writing even more business with you this year."

**PETER SAVAGE** (Below)  
DIRECTOR  
AZULE FINANCE

"I have dealt with Mark Lester for many years and know he is a knowledgeable and commercial underwriter looking to 'make a deal.' Renaissance with their hands-on approach add real value to my current funding panel." **BW**

**H**ugh Sigrist, founder of Renaissance Asset Finance was delighted with the first quarter's results of RAF's second trading year. We continue to buck the trend of the market and have exceeded our lending budget for the quarter, by some 20 percent. This demonstrates that our business model is distinctly different from most of the competition and our customers like it! There is huge customer loyalty to our team and the Renaissance Brand, which is a huge compliment.
